CarId	CarName	CarPrice	CarRating	CarImages
-------	---------	----------	-----------	-----------

If you click add to card button for particular item it added in Add items table:

Car List						
CarId	CarName	CarPrice	CarRating	Stock	CarImages	Add to Cart
1	BMW	600000	5	3		<button>Add to Cart</button> <button>Buy</button>
2	Audi	400000	3	1		<button>Add to Cart</button> <button>Buy</button>
3	Rolls Royce	2000000	10	5		<button>Add to Cart</button> <button>Buy</button>

Add Itmes

CarId	CarName	CarPrice	CarRating	Stock	CarImages	Remove
1	BMW	600000	5	3		<button>Buy</button> <button>Cancel</button>

Buying Items

CarId	CarName	CarPrice	CarRating	CarImages
-------	---------	----------	-----------	-----------

If you Buy particular items it added in Buying item table and it stock will be reduced:

The screenshot shows a web application interface with a browser window titled 'FirstAngApp' at 'localhost:4200'. The main content area displays a list of cars with the following data:

CarId	CarName	CarPrice	CarRating	Stock	CarImages	Buttons
2	Audi	400000	3	Out of Stock		Add to Cart, Buy
3	Rolls Royce	2000000	10	5		Add to Cart, Buy

Below this is a section titled 'Add Itmes' (sic) with a table:

CarId	CarName	CarPrice	CarRating	Stock	CarImages	Buttons
1	BMW	600000	5	3		Buy, Cancel

At the bottom is a section titled 'Buying Items' with a table:

CarId	CarName	CarPrice	CarRating	CarImages
2	Audi	400000	3	

If you out of stock item it show alert:

This screenshot shows the same web application as the previous one, but with an alert dialog box displayed over the Audi car entry. The dialog box has the title 'localhost:4200 says' and the message 'Out of Stock', with an 'OK' button.

The car inventory table below the alert shows:

CarId	CarName	CarPrice	CarRating	Stock	CarImages	Buttons
1	BMW	600000	5	3		Add to Cart, Buy
2	Audi	400000	3	Out of Stock		Add to Cart, Buy
3	Rolls Royce	2000000	10	5		Add to Cart, Buy

The 'Add Itmes' and 'Buying Items' sections remain the same as in the previous screenshot.

Total Buying amount :
